

GENERAL ASSEMBLY CERTIFICATE OF COMPLETION

**Rashid
Althawadi**

Software Engineering Immersive

Congratulations! This certificate affirms your successful completion of 480 hours / 12 weeks of instruction in General Assembly's Software Engineering Immersive from 18 June to 14 September 2023. With this document, we proudly confirm that your technical ability and collaborative skills have met or exceeded our industry standards.

Key Topic Areas: Programming and Problem Solving, Git, HTML/CSS, JavaScript, Python, Django, SQL, MongoDB, Node.js, Express, jQuery, React, JSON APIs, Product Development and Deployment, Authentication and Authorization, Algorithms, Data Structures, Design Patterns, and Presentation Skills.

We wish you the best of luck on your future endeavors!

Daniele Grassi, CEO
